

What am I voting for?

If your commercial property or business is located within the blue area on the proposed expansion map (**copy included**), we are seeking your agreement to be included into a united Wiri business precinct through payment of the BID targeted rate.

The targeted rate is based on the capital value of the property and is levied in the rates to the landowner. The approximate rate for Wiri is 0.00048952 (rate in the dollar).

The BID target rate is collected by Auckland Council and passed onto Wiri Business Association Committee **in full**.

Each ballot pack you get represents another vote

How do I vote?

Voting is available either online or via post as per instructions on your voting form.

The ballot voting period closes at **midday on Monday 13th March 2017**.

Please ensure you return your vote to arrive before this time.

The ballot is conducted by Election Services on behalf of the Wiri Business Association (WBA)

**Create a united
WIRI business
precinct**
